

ACS Homeschool Curriculum Organization

Even Years (beginning of school year)			Odd (beginning of school year)	
K		Intro to Science		Intro to Science
	Life	Living & Nonliving	Life	Living & Nonliving
		Plants		Plants
		Animals		Animals
		Five Senses		Five Senses
		Good Health		Good Health
	Earth	Seasons	Earth	Seasons
		Weather		Weather
Physical	Motion & Magnets	Physical	Motion & Magnets	
1st/2nd		Ready, Set, Science!		Ready, Set, Science
	Life	Living & Nonliving Things	Life	Animals
		Living Things in Their Environment		Plants
	Earth	The Solar System		Earth
		Weather	Exploring Earth's Surface	
	Physical	Light & Heat	Physical	Natural Resources
		Sound		Observing & Classifying Matter
		Motion		Changes in Matter
3rd/4th		Scientific Process Skills		Scientific Process Skills
	Life	Understanding Ecosystems	Life	Classifying Living Things
		Energy Transfer in Ecosystems		Life Cycles, Traits and Variations
	Earth	Water Cycle		Earth
		Planets & Other Objects in Space	Rock Cycle	
	Physical	Making and Using Electricity	Physical	Changes to Earth's Surface
		Forces & Motion with Simple Machines		Matter and Its Properties
		Heat, Light & Sound		Changes in Matter
5th/6th		Scientific Method		Scientific Method
	Life	Environmental Science	Life	Animals
				Human Biology (1 st half of textbook)
	Earth	Astronomy	Earth	Earth's Changing Surface
	Physical	Weather & Climate	Physical	Chemical Building Blocks
Sound & Light				
7th/8th		Scientific Method		Scientific Method
	Life	Cells & Heredity	Life	From Bacteria to Plants
				Human Biology (2 nd half of textbook)
	Earth	Earth's Waters	Earth	Inside Earth
		Motion, Forces & Energy		
Physical	Electricity & Magnetism	Physical	Chemical Interactions
